Get a class curriculum list and uniform information and make your purchases immediately. Delaying this step may mean your child will not have the appropriate books and dress for the first day of classes.

STEP NINE

ATTEND PARENT ORIENTATION

We will meet during the day, the week before classes begin. This is a time to meet the staff, become comfortable with the curriculum, and prepare for a successful year of learning for your child (ren).

BCCS is a community school for like-minded Christian families and teachers who prioritize faith, family and school in that order. We have acknowledged the mutual endeavor to create an instructive environment, in which children can excel academically, expand leadership proficiencies and exemplify moral values based on Biblical principles.
